DECISION AND ORDER

The Plaintiff, Slinger Manufacturing Company, Inc. (“Slinger”) has filed a motion for a temporary restraining order pursuant to Rule 65 of the Federal Rules of Civil Procedure. Slinger indicates it has given notice to counsel for the Defendants.

The standards for a temporary restraining order and preliminary injunction are identical. *Tran v. Kriz*, No. 08-C-228, 2008 WL 794546, *6 (E.D. Wis. March 21, 2008). Having considered the submissions of the parties and the file in this matter, the Court concludes that Slinger has not satisfied the criteria for a restraining order. *See Woods v. Buss*, 496 F.3d 620, 622 (7th Cir. 2007). Therefore, Slinger’s motion for a temporary restraining order is denied. The Court will consider the motion as seeking preliminary

injunctive relief. The Defendants may e-file a response by Monday August 4, 2008. The Court will conduct a telephonic hearing on the matter on Tuesday, August 5, 2008, at 2:00 p.m. (Central Time).

Dated at Milwaukee, Wisconsin, this 1st day of August, 2008.

SO ORDERED,
